

WE NEED YOU!

Speeding through Honeybourne continues to be an issue. With our Vehicle Activated Signs repeatedly recording speeds in excess of 70mph in our 30mph zones, do you want to see this continue?

You can join our team of volunteers, operating a speed gun in Honeybourne on a voluntary basis in conjunction with Community Speedwatch and West Mercia Police.

Full free training and protective equipment is provided.

Please contact the Parish Clerk at clerk@honeybourne-pc.gov.uk to start making a difference.
